To: **Thetis Bidco Limited**
Ropemaker Place, 28 Ropemaker Street, London EC2Y 9HD, United Kingdom

Dear all

Proposal by Thetis Bidco Limited (the "Offeror") to acquire Adept Technology Group plc (the "Offeree")

I understand that the Offeror is considering making an Offer substantially on the terms and subject to the conditions contained in the draft press announcement for the purposes of Rule 2.7 of the City Code on Takeovers and Mergers (the "**Takeover Code**") (the "**Press Announcement**") attached to this undertaking (which may be amended as agreed between Cardean Bell Ltd and MarchHarvey Ltd (together, the "**Offeror's Financial Adviser**") and Houlihan Lokey UK Limited ("**Houlihan Lokey**") and as may be required to comply with the Takeover Code together with such additional terms and conditions as may be required to comply with the AIM Rules, the rules and regulations of the London Stock Exchange plc and the Takeover Code.

1. Acquisition

1.1 For the purposes of this undertaking (the "**Undertaking**"), the "**Acquisition**" shall:

1.1.1 mean the proposed cash offer of 201 pence per share to be made by the Offeror for all of the issued and to be issued ordinary share capital of the Offeree (excluding any Excluded Shares (as defined in the Press Announcement) not already owned by it), to be implemented by way of a court-sanctioned scheme of arrangement (the "**Scheme**") under Part 26 of the Companies Act 2006 between Offeree and the holders of its ordinary shares, or by way of a takeover offer within the meaning of section 974 of the Companies Act 2006 (an "**Offer**"), as the case may be, to be made by or on behalf of the Offeror pursuant to the Press Announcement; and

1.1.2 include any revised or increased offer proposal to that referred to in paragraph 1.1.1 above which may be made by the Offeror from time to time or any other offer required to be made by the Offeror or any member of the Consortium (as defined in the Press Announcement) pursuant to Rule 9 of the Takeover Code.

2. Ownership of Shares

2.1 In consideration of the Offeror's continued preparation of the Offer, I hereby irrevocably and unconditionally (save as specified below) undertake, warrant and represent to the Offeror in the following terms:

2.1.1 I am the beneficial owner of (or am otherwise able to control the exercise of all rights attaching to, including the ability to procure the transfer of) and/or am the registered holder of the ordinary shares of ten pence each in the share capital of the Offeree ("**Offeree Shares**") as specified in Schedule 1 (the

"Existing Shares", such Existing Shares together with any other Offeree Shares in respect of which I become the registered holder and/or beneficial owner (or in relation to which I become able to control the exercise of all rights attaching to, including voting rights and the ability to procure the transfer of) after the date of this Undertaking and all other securities which may be allotted in respect of, or which are attributable to or derived from such Offeree Shares and/or the Existing Shares, being the **"Shares"**);

2.1.2 in the case of any Shares of which I am or become the beneficial owner (but not the registered holder) and all other securities which may be allotted in respect of, or which are attributable to or derived from such Shares, I undertake to procure that the registered holder(s) will comply with the terms of this Undertaking as if it were also party to it;

2.1.3 save as disclosed in Schedule 1, I am not interested in any shares or other securities of the Offeree and I do not have any rights to subscribe, purchase or otherwise acquire any shares or other securities of the Offeree; and

2.1.4 I have the full power and authority and the right (free from any legal or other restrictions), and neither I nor the registered holder of any Shares (where applicable) will take any action which would cause me or us to cease having all relevant power and authority and the right, to enter into and perform the obligations in this undertaking in accordance with their terms. The Offeror will acquire the Shares from me with full title guarantee and free from any charge, option, lien, equity, restriction or encumbrance whatsoever and with all rights now or hereafter attached or accruing to them, including voting rights and the right to all dividends and distributions (if any) declared, made or paid after the date of the Press Announcement.

3. Dealings and Undertakings

3.1 I hereby irrevocably and unconditionally undertake to the Offeror that unless and until this Undertaking lapses in accordance with paragraph 8, I shall not (and, if relevant, shall procure that the beneficial and/or registered holder shall not):

3.1.1 other than in connection with the Acquisition, sell, transfer, gift, charge, pledge, encumber, create or grant any option or lien over or otherwise dispose of (or permit any such action to occur in respect of) any interest in any Shares;

3.1.2 other than in connection with the Acquisition, accept or give any undertaking to accept (whether conditional or unconditional) any offer or approve or otherwise agree to any offer made or proposed to be implemented (whether by way of a takeover offer, scheme of arrangement or otherwise) in respect of any securities of the Offeree (or any interest therein) by any person other than the Offeror (or any member of its group);

3.1.3 other than in connection with the Acquisition, until the earlier of (i) this Undertaking lapsing in accordance with paragraph 8, or (ii) the Scheme being sanctioned by the court, acquire or otherwise deal or undertake any dealing in any securities of the Offeree (or any interest therein), unless the Panel determines, and confirms to you in writing, that in respect of or as a result of such acquisition or dealing, I am not considered to be acting in concert with you pursuant to Note 9 on the definition of "acting in concert" set out in the Takeover Code; or

3.1.4 enter into any agreement or arrangement, incur any obligation or give any indication of intent (or permit such circumstances to occur):

(a) to do all or any of the acts referred to in paragraphs 3.1.1, 3.1.2 and 3.1.3; or

(b) in relation to, or operating by reference to, the Shares, which, in either case, would or might reasonably be expected to restrict or impede my ability to comply with this Undertaking,

and, for the avoidance of doubt, references in this paragraph 3.1.4 to any agreement, arrangement or obligation shall include any such agreement, arrangement or obligation, whether or not legally binding or subject to any condition or which is to take effect upon or following the Scheme lapsing or being withdrawn or upon or following this Undertaking ceasing to be binding or upon or following any other event.

4. Undertaking to Vote

4.1 Unless the Offeror expressly requests of me otherwise in writing in advance, I hereby irrevocably undertake to the Offeror:

4.1.1 to exercise (or, where applicable, procure the exercise of) all voting rights attaching to the Shares to vote in favour of all resolutions to approve the Scheme and any related matters (the "**Resolutions**"), proposed at (i) any general or class meeting to be convened in connection with the Scheme (the "**General Meeting**"); and (ii) any Court-convened meeting of the Offeree's shareholders for the purpose of considering and, if thought fit, approving the Scheme (the "**Court Meeting**"), in each case as set out in the notices of meeting in the circular to be sent to shareholders of the Offeree containing, amongst other things, the terms and conditions of the Scheme (the "**Scheme Document**") or at any adjournment of any General Meeting or Court Meeting;

4.1.2 to (without prejudice to my right to attend and vote in person at the Court Meeting and the General Meeting): (i) execute (or, where applicable, procure the execution of) all relevant forms of proxy in respect of all of the Shares validly appointing the Chair of such meetings (or any person nominated by the Offeror) to vote at any General Meeting or Court Meeting (or any

adjournment thereof) in respect of the Resolutions; and (ii) lodge (or procure the lodgement of) such executed forms of proxy or, if any of the Shares are held in uncertificated form, CREST Proxy Instructions by 1:00 p.m. on the third business day after the Offeree publishes the Scheme Document (or, in respect of Shares acquired by me after posting of the Scheme Document, as soon as possible and, in any event, by the earlier of: (a) 1:00 p.m. on the date which is the third business day after acquiring an interest in such Shares; or (b) 1:00 p.m. on the date which is one business day prior to the deadline for receipt of executed forms of proxy and/or CREST Proxy Instructions as set out in the Scheme Document);

4.1.3 not to revoke, withdraw or amend any proxy submitted in accordance with paragraph 4.1.2, either in writing or by attendance at any General Meeting or Court Meeting (or any adjournment thereof) or otherwise;

4.1.4 not to exercise (or procure the exercise of) any of the voting rights attaching to the Shares at the Court Meeting or the General Meeting other than in accordance with this Undertaking; and

4.1.5 execute and, or procure to be executed and done, all such documents, acts and things as may be necessary to be executed or done by me (or, where applicable, the registered holder) in order to perform my obligations under this Undertaking.

4.2 I shall exercise, or, where applicable, procure the exercise of, all rights attaching to the Shares to requisition or join in the requisitioning of any general meeting of the Offeree for the purposes of voting on any resolution referred to under paragraph 4.1.1, or to require the Offeree to give notice of any such meeting, only in accordance with the Offeror's instructions.

5. Prejudicial Action

5.1 Prior to the earliest of: (i) the Scheme becoming effective, lapsing or being withdrawn (or, if the Acquisition is to be implemented by way of an Offer, the Offer becoming or being declared unconditional, lapsing or being withdrawn); and (ii) the termination of this Undertaking in accordance with paragraph 8, I hereby irrevocably undertake to the Offeror:

5.1.1 that I shall not exercise or procure the exercise of the voting rights attaching to the Shares in favour of any resolution to approve an acquisition or any other transaction or corporate action which is proposed by any person other than the Offeror (or any member of its group) or which would (or would reasonably be expected to) otherwise frustrate, impede or delay the implementation of the Acquisition (an "**Alternative Transaction**");

- 5.1.2** that I shall exercise or procure the exercise of the voting rights attaching to the Shares, either in person or by proxy, to vote against any Alternative Transaction;
 - 5.1.3** that I shall not exercise or procure the exercise of, nor fail to exercise, the voting rights attaching to the Shares in any manner which would be prejudicial to the success of or frustrate, impede or delay the Acquisition; and
 - 5.1.4** that I shall not requisition, or join in the requisitioning of, any general or class meeting of the Offeree for the purposes of voting on any resolution to approve an acquisition or any other transaction or corporate action which is proposed in competition with or which would otherwise be reasonably expected to frustrate, impede or delay the Acquisition.
- 5.2** For the purposes of this paragraph 5, I shall execute any form of proxy required by the Offeror appointing any person nominated by the Offeror to attend and vote at the relevant meeting (or any adjournment thereof).

6. Power of Attorney

- 6.1** If I fail to comply with my obligations of this Undertaking, I irrevocably and unconditionally appoint each of the Offeror and any director of the Offeror jointly and severally to be my attorney in my name and on my behalf to sign, execute and deliver forms of proxy and/or such other deeds or documents and to do such other acts and things as may be necessary or desirable for or incidental to the purpose of giving effect to my obligations under this Undertaking in respect of the Shares.
- 6.2** I acknowledge that this power of attorney is given by way of security and is irrevocable and unconditional until this Undertaking lapses in accordance with paragraph 8.

7. Consents

- 7.1** I consent to the inclusion of references to me and the registered holder of any of the Shares in which I have (or will have as the case may be) a beneficial and/or registered interest and to particulars of this Undertaking in the Press Announcement, Scheme Document and other documents issued in connection with the Acquisition.
- 7.2** I understand and agree that, in accordance with the Takeover Code, particulars of this Undertaking and disclosable holdings of, and dealings in, relevant securities of the Offeree will need to be publicly disclosed and will also be contained in the Scheme Document and that copies of this Undertaking will be available for inspection until the end of the Acquisition in accordance with Rule 26 of the Takeover Code.
- 7.3** I will as soon as possible notify the Offeror in writing upon becoming aware of any change in the accuracy or import of any information supplied, or representation or warranty given, to Offeror under this Undertaking that concerns the Shares or Options.

8. Lapse of Undertaking

8.1 All of my obligations pursuant to this Undertaking will lapse and cease to have effect on the earlier of the following occurrences:

8.1.1 the Press Announcement not having been released by 6:30 p.m. (London time) on the date falling three business days after the date of this Undertaking (or such later date as the Offeror and the Offeree may agree);

8.1.2 the Scheme Document is not sent to shareholders of the Offeree within 28 days (or such longer period as the Offeree and the Offeror agree, and the Panel consent) after the date of the Press Announcement (other than in circumstances where the Offeror has, prior to such date, elected to exercise its right to proceed by way of an Offer and announced the same in accordance with the requirements of Paragraph 8 of Appendix 7 to the Takeover Code, and such Offer has not lapsed or been withdrawn);

8.1.3 where the Offeror has elected to proceed with the implementation of the Acquisition by way of an Offer on or before the date referred to in paragraph 8.1.2, the Offer Document is not sent to shareholders of the Offeree within 28 days (or such other date as the Panel may require) after the date of the publication of the announcement made in accordance with the requirements of Paragraph 8 of Appendix 7 to the Takeover Code;

8.1.4 the Offeror announces, with the consent of the Panel, that it does not intend to make or proceed with the Acquisition and no new, revised or replacement Offer or Scheme is announced by the Offeror in accordance with Rule 2.7 of the Takeover Code at the same time;

8.1.5 the Scheme (or Offer, as applicable) lapses or is withdrawn in accordance with its terms and no new, revised or replacement Offer or Scheme is announced by the Offeror by such time;

8.1.6 the Scheme has not become effective by the Long Stop Date (as defined in the Press Announcement) (other than in circumstances where the Offeror has, prior to such date, elected to exercise its right to proceed by way of an Offer and announced the same in accordance with the requirements of Paragraph 8 of Appendix 7 to the Takeover Code, and such Offer has not lapsed or been withdrawn); or

8.1.7 the date on which any competing offer for the entire issued and to be issued share capital of the Offeree is declared unconditional (if implemented by way of a takeover offer) or, if proceeding by way of a scheme of arrangement, becomes effective.

8.2 If my obligations in this Undertaking lapse, I shall have no claim against the Offeror and the Offeror shall have no claim against me, other than in respect of any prior breach of any of the terms of this Undertaking.

9. Scheme or Offer

9.1 I note that the Offeror reserves the right to implement the Acquisition by way of an Offer. In the event that it is so implemented, I confirm and agree that this Undertaking shall continue to be binding *mutatis mutandis* in respect of the Shares and all references to the Scheme shall, where the context permits, be read as references to the Offer (or to both the Scheme and the Offer, as appropriate). Notwithstanding the generality of the foregoing, references in this Undertaking:

9.1.1 to voting in favour of the Scheme and voting in favour of the resolutions to be proposed at the Court Meeting and/or the General Meeting shall be read and construed as references to accepting the Offer, which acceptances in such circumstances shall be tendered within three business days of publication of the formal document containing the Offer (the "**Offer Document**") to the Offeree shareholders and even if the terms of the Offer give accepting shareholders the right to withdraw acceptances, I irrevocably undertake not to withdraw (nor procure the withdrawal of) my acceptances in respect of the Shares. I further irrevocably undertake, if so required by the Offeror, to execute (or procure the execution of) all such other documents or do (or procure the doing of) such other acts as may be necessary or desirable for the purpose of giving the Offeror the full benefit of my undertakings;

9.1.2 to the Scheme becoming effective shall be read as references to the Offer becoming or being declared unconditional; and references to the Scheme lapsing or being withdrawn shall be read as references to the closing or lapsing of the Offer; and

9.1.3 to the Scheme Document shall be read as references to the Offer Document.

10. Miscellaneous

10.1 I acknowledge that the release of the Press Announcement is at the Offeror's absolute discretion. For the avoidance of doubt, nothing in this Undertaking shall oblige the Offeror to announce or proceed with the Scheme or the Acquisition.

10.2 You recognise that in my capacity as a director of the Offeree I owe fiduciary duties to the Offeree and I have duties under the Takeover Code, and accordingly nothing in this Undertaking will require or oblige me to do or refrain from doing any act or thing which would have the effect of contravening those duties.

10.3 Without prejudice to clause 8 I agree to promptly notify you and the Takeover Panel if I become aware that I am no longer able to comply with the terms of this Deed or no longer intend to do so in accordance with Rule 2.10(c) of the Takeover Code.

10.4 Any time, date or period referred to in this Undertaking may be extended by mutual agreement but as regards any time, date and period originally fixed or as extended, time shall be of the essence.

- 10.5** I agree that damages would not be an adequate remedy for breach of this Undertaking and, accordingly, the Offeror shall be entitled to the remedies of specific performance, injunction or other equitable remedies.
- 10.6** Any phrase introduced by the terms "other", "including", "include" and "in particular" or any similar expression shall be construed as illustrative and shall not in any way limit the sense of the words following or preceding those terms.
- 10.7** No term of this Undertaking is enforceable under the Contracts (Rights of Third Parties) Act 1999 by a person who is not a party to this Undertaking.
- 10.8** This Undertaking contains the whole agreement between the Offeror and me relating to the subject matter of this Undertaking at the date hereof to the exclusion of any term implied by law which may be excluded by contract.
- 10.9** If any provision of this Undertaking is held to be invalid or unenforceable, then such provision shall (so far as it is invalid or unenforceable) be given no effect and shall be deemed not to be included in this Undertaking, but without invalidating any of the remaining provisions. I shall promptly advise you of any action taken by me which (but for illegality or unenforceability) would have been prohibited by any provision of this Undertaking that is held to be invalid or unenforceable.
- 10.10** No amendment or variation will be made to this Undertaking unless signed in writing by the Offeror and me.
- 10.11** In this Undertaking, references to:
- 10.11.1** "**dealing**" shall be interpreted in accordance with the Takeover Code as from time to time amended and interpreted by the Panel;
- 10.11.2** being "**interested in**" or having "**interests in**" shares or securities shall be construed in accordance with the Takeover Code as from time to time amended and interpreted by the Panel and Part 22 of the Companies Act 2006; and
- 10.11.3** "**relevant securities**" shall be construed in accordance with the Takeover Code as from time to time amended and interpreted by the Panel.
- 10.12** This Undertaking shall be governed by and construed in accordance with English law. Any matter, claim or dispute, whether contractual or non-contractual, arising out of or in connection with this Undertaking is to be governed by and determined in accordance with English law and shall be subject to the exclusive jurisdiction of the English courts.

Summary

- The boards of Thetis Bidco Limited ("**Bidco**"), a member of the Wavenet Group and also a subsidiary of Macquarie Group Limited, and AdEPT Technology Group plc ("**AdEPT**") are pleased to announce that they have reached agreement on the terms and conditions of a recommended all cash offer by Bidco for the entire issued and to be issued ordinary share capital of AdEPT (the "**Acquisition**"). for each AdEPT Share:	201 pence in cash
------------------------------	--------------------------
- The Acquisition values the entire issued, and to be issued, ordinary share capital of AdEPT at approximately £50.3 million.
- The price per AdEPT Share represents a premium of approximately:
 - 74.8 per cent. to the Closing Price of 115 pence per AdEPT Share on 7 February 2023 (being the last Business Day before the date of the commencement of the Offer Period); and
 - 77.4 per cent. to the volume-weighted average price of 113 pence per AdEPT Share for the three-month period ended 7 February 2023.
- As part of the Acquisition, the AdEPT Board has resolved to cancel the interim dividend of 2.50 pence per AdEPT Share in respect of the six months ended 30 September 2022, which was announced on 15 November 2022 with a record date of 10 March 2023 and a payment

Information on Bidco

- Bidco is a private company limited by shares, incorporated on 22 January 2021. It is a wholly-owned indirect subsidiary of Thetis Topco Limited, which itself is a subsidiary of the Macquarie Group. The other shareholders of Thetis Topco Limited include Wavenet management. Bidco is also a non-trading holding company of the Wavenet Group, including Wavenet Limited and OGL Computer Support Holdings Limited. The directors of Bidco are William (Bill) Dawson, Venetia Cooper, Philip Grannum and Stewart Motler.

Information on Wavenet

- Formed in 2000 and acquired by the Macquarie Group in 2021 through its European private equity division, MPRC Europe Limited, Wavenet is a multi-award-winning provider of telecoms and technology solutions to over 15,000 business and enterprise customers across the UK. Wavenet is a Registered Certified Cisco Partner, Microsoft Gold Partner, has Platinum Partner status with Mitel and Silver Peak and holds authorised partner status with Five9. Wavenet has offices in Solihull, Chester, Norwich, Cardiff, Nottingham, London, Twickenham, Cambridge, Worcestershire and St Albans and employs c.550 people, including over 250 trained support staff and engineers.

Information on Macquarie

- Macquarie Group is a diversified international provider of investment banking and financial services, with over 19,000 employees in more than 30 countries globally. Macquarie Principal Finance Pty Limited is the Macquarie Group's principal balance sheet investment platform and wholly owns MPRC Europe Limited. Since inception in 2009, Macquarie Principal Finance Pty Limited has deployed over A\$38 billion globally across a variety of sectors. MPRC Europe Limited is the European private equity division of Macquarie Principal Finance Pty Limited.
- Macquarie Group Limited, the ultimate parent undertaking of the Macquarie Group, has been listed on the Australian Securities Exchange since 1996 and has a current market capitalisation in excess of A\$70 billion.

Information on AdEPT

- The AdEPT Group is one of the UK's leading independent providers of managed services for IT, unified communication, connectivity, voice and cloud services. It deploys products

from a number of communications and IT partners to provide solutions tailored to meet the specific requirements of its customers in both the public and private sectors.

- The AdEPT Group employs c.340 people across nine UK offices in London, Tunbridge Wells, Fleet, Northampton, Chingford, St Neots, Dorking, Orpington and Doncaster. The AdEPT Shares were admitted to trading on AIM in February 2006.

The AdEPT Group's current trading

- Since 30 September 2022 (being the date to which the AdEPT Group's interim results were drawn up), the AdEPT Group has continued to demonstrate its resilience and has maintained the trend of organic growth in recurring Managed Services experienced in the first half of its financial year. Strong engagement with key partners and management of the supply chain has enabled increased project delivery and an increase in one-off revenues. Traditional Fixed Line services continued their expected structural decline in line with prior periods.
- In the three-month period ended 31 December 2022 the AdEPT Group traded in line with the AdEPT Board's expectations.

Background to and reasons for the Acquisition

- The UK technology managed services industry remains diverse and unconsolidated. Wavenet sees a significant opportunity to build a broad suite of technology managed services products, and continue to diversify its customer base into attractive customer sectors, via the acquisition of complementary businesses like AdEPT. The board and management of Wavenet believe that scaled operators, with broad product capabilities, will benefit from outsized market growth.
- Wavenet has a track record of successfully acquiring and integrating businesses; AdEPT would represent the fifth acquisition made in less than two years since MPRC Europe Limited's initial investment into Wavenet.
- Wavenet believes that there will be an opportunity to take best practice from both groups across all operational functions to enhance the way services are delivered to an expanded client base.

Recommendation

- The AdEPT Directors, who have been so advised by Houlihan Lokey and Singer Capital Markets as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing their advice to the AdEPT Directors, Houlihan Lokey and Singer Capital Markets have taken into account the commercial assessments of the AdEPT Directors. Houlihan Lokey and Singer Capital Markets are providing independent financial advice to the AdEPT Directors for the purposes of Rule 3 of the Takeover Code.
- **Accordingly, the AdEPT Directors confirm that they intend to recommend unanimously that AdEPT Shareholders vote to approve the Scheme at the Court Meeting and to vote**

in favour of the Resolutions to be proposed at the General Meeting, as those AdEPT Directors who hold AdEPT Shares and certain of the AdEPT Directors' connected persons have irrevocably undertaken to do (or procure to be done) in respect of their own holdings over which they have control, being, in aggregate, 846,221 AdEPT Shares representing approximately 3.4 per cent. of the ordinary share capital of AdEPT in issue as at the Latest Practicable Date.

Background to and reasons for the recommendation

- The AdEPT Board believes that the AdEPT operating platform will continue to strengthen AdEPT's relationships with key partners, customers, and major UK network operators, deploy a greater range of capabilities to both new and existing customers and leverage its strong supplier relationships, driving organic growth. However, whilst the AdEPT Board believes its strategy is capable of delivering long-term growth and profitability, it recognises that uncertainties and risks exist in the short-term, most of which are beyond AdEPT's control. Supply chain constraints, whilst being mitigated to a large extent, continue to provide challenges and these, combined with cost inflation headwinds and a deteriorating macro environment, are impacting AdEPT's near-term growth.
- The AdEPT Board believes that the weak macroeconomic outlook in the UK is placing significant pressure on many smaller quoted companies. The AdEPT Board believes that the current market capitalisation of AdEPT is affecting its ability to raise new capital at sensible valuations and, therefore, its ability to optimise AdEPT's growth over the medium term.
- In considering its recommendation of the Acquisition, the AdEPT Board has taken into account the risks inherent in the continued execution of its strategy on a standalone basis, AdEPT's current trading environment, and the potential for future growth in equity value for shareholders against the certainty of a cash offer. The AdEPT Board believes that the terms of the Acquisition fairly recognise the medium-term prospects and growth potential of AdEPT as a standalone business.
- The AdEPT Board also notes that, prior to agreeing the terms of the Acquisition it, along with AdEPT's financial advisers, sought and evaluated a number of other expressions of interest in AdEPT in order to ensure that the position of AdEPT Shareholders was optimised. The AdEPT Board highlights that, as at the date of this Announcement, AdEPT is no longer in discussions with any other party.
- The AdEPT Board believes that the Acquisition provides an opportunity for AdEPT Shareholders to realise their entire investment at an attractive valuation in cash.

Irrevocable undertakings and letter of intent

- In addition to the irrevocable undertakings given by those AdEPT Directors who hold AdEPT Shares and certain of the AdEPT Directors' connected persons, Bidco has also received irrevocable undertakings from certain AdEPT Shareholders to vote or procure

votes to approve the Scheme at the Court Meeting and to vote or procure votes in favour of the Resolutions to be proposed at the General Meeting.

- As at 8 February 2023 (being the date of this Announcement) all irrevocable undertakings received together represented, in aggregate, 13,374,077 AdEPT Shares representing approximately 53.4 per cent. of the ordinary share capital of AdEPT in issue as at the Latest Practicable Date.
- Bidco has also received a non-binding letter of intent from an AdEPT Shareholder to vote to approve the Scheme at the Court Meeting and to vote in favour of the Resolutions to be proposed at the General Meeting. As at the date of this Announcement, this letter of intent represented 786,912 AdEPT Shares representing approximately 3.1 per cent. of the ordinary share capital of AdEPT in issue as at the Latest Practicable Date.
- Bidco has therefore received irrevocable undertakings or a letter of intent in respect of a total of 14,160,989 AdEPT Shares, representing, in aggregate, approximately 56.6 per cent. of the ordinary share capital of AdEPT in issue as at the Latest Practicable Date. Shareholders holding AdEPT Shares representing 24.6 per cent. of the ordinary share capital of AdEPT in issue as at the Latest Practicable Date have provided hard irrevocable undertakings.
- Full details of the irrevocable undertakings and letter of intent are set out in Appendix 3 to this Announcement.

Timetable and Conditions

- It is intended that the Acquisition will be implemented by means of a court-sanctioned scheme of arrangement under Part 26 of the Companies Act (although Bidco reserves the right to effect the Acquisition by way of a Takeover Offer, subject to the consent of the Panel).
- The terms of the Acquisition will be put to AdEPT Shareholders at the Court Meeting and the General Meeting. The Court Meeting and the General Meeting are required to enable AdEPT Shareholders to consider, and if thought fit, vote in favour of the Scheme and the Resolutions to implement the Scheme. In order to become Effective, the Scheme must be approved by a majority in number of Scheme Shareholders, present and voting at the Court Meeting (and entitled to vote), whether in person or by proxy, representing at least 75 per cent. in value of the Scheme Shares held by those Scheme Shareholders who have voted. In addition, at the General Meeting the Resolutions must each be passed by AdEPT Shareholders representing at least 75 per cent. of the votes validly cast on such Resolutions, whether in person or by proxy. The General Meeting is expected to be held immediately after the Court Meeting.
- The Scheme will also need to be sanctioned by the Court. Finally, a copy of the Court Order must be delivered to the Registrar of Companies for registration, upon which the Scheme will become Effective.

- The Acquisition will be made in accordance with the Takeover Code and on the terms and subject to the Conditions set out in Appendix 1 to this Announcement, including the NS&I Act Condition set out in paragraph 3 of Appendix 1. Full details of the Acquisition will be set out in the Scheme Document.

Comments on the Acquisition

- Commenting on the Acquisition, Ian Fishwick, Chairman of AdEPT, said:

"Since its formation on 1 January 2003, AdEPT has been on a strategic journey that has latterly focussed on building scale and broadening its service offering in a fragmented industry and a mission to create a highly respected managed service provider to empower its customers to take advantage of the benefits of a wealth of technology from class-leading partners in a unified way.

As a result of this strategy, AdEPT has been transformed into one of the UK's leading independent providers of IT managed services, connectivity, unified communications solutions, and cloud services. AdEPT is now an award-winning company that delivers services for a broad range of public and private sector clients with a resilient, highly recurring, cash generative financial profile underpinned by its 'One AdEPT' philosophy and operating platform.

Whilst we believe that the AdEPT platform can deliver long-term growth and profitability, we also recognise that uncertainties and risks exist in the short to medium term which impact AdEPT's ability to optimise growth as a stand-alone quoted entity. We acknowledge the additional commercial benefits which could be obtained as part of a larger, well-funded group, and believe the combination of AdEPT with Wavenet will enable the next phase of AdEPT's growth to be strongly supported.

Given the balance of future opportunities and risks, we are comfortable that the Acquisition fairly recognises the medium-term prospects and growth potential of AdEPT as a standalone business and provides AdEPT Shareholders with an immediate, certain and attractive value in cash."

- Commenting on the Acquisition, Bill Dawson, Chief Executive Officer of Wavenet, said:

"I am delighted to announce the proposed combination of the AdEPT business with the Wavenet Group. I have huge respect for the leadership of Ian Fishwick and the significant achievements of the AdEPT team. They have created a leading AIM-quoted Managed Service Provider delivering to a variety of top tier clients. We look forward to working with the AdEPT team as part of the Wavenet Group and driving growth by focusing on the best of both Wavenet and AdEPT's skills and services. I am also grateful for the support of AdEPT's largest shareholder, Christopher Kingsman, who has been very supportive of this proposed transaction since the beginning."

- Commenting on the Acquisition, Adam Joseph, Senior Managing Director, Head of Private Equity, Europe for the Macquarie Group, said:

"We invested into Wavenet Limited in early 2021 and are delighted to back Bill Dawson and his team again in this strategic acquisition. The combined Wavenet and AdEPT business will have an excellent product offering and AdEPT's education presence in particular will add scale in an attractive end sector. On completion the enlarged Wavenet Group will have pro forma annual revenues of over £200 million⁽¹⁾ – triple the level at the time of our initial investment."

Additional information for US investors in AdEPT

AdEPT Shareholders in the United States should note that the Acquisition relates to the shares of an English company with a listing on AIM and is proposed to be effected by means of a scheme of arrangement under English law. This Announcement, the Scheme Document and certain other documents relating to the Acquisition have been or will be prepared in accordance with English law, the Takeover Code and UK disclosure requirements, format and style, all of which differ from those in the United States. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition is subject to the disclosure requirements of and practices applicable in the United Kingdom to schemes of arrangement, which differ from the disclosure requirements of the United States tender offer and proxy solicitation rules. If, in the future, Bidco exercises the right to implement the Acquisition by way of a Takeover Offer and determines to extend the offer into the United States, the Acquisition will be made in compliance with applicable United States laws and regulations, including any applicable exemptions under the US Exchange Act.

AdEPT's financial statements, and all financial information that is included in this Announcement, the Scheme Document or any other documents relating to the Acquisition, have been or will be prepared in accordance with IFRS and may not be comparable to financial statements of companies in the United States or other companies whose financial statements are prepared in accordance with US generally accepted accounting principles.

The receipt of cash pursuant to the Acquisition by a US holder as consideration for the transfer of its AdEPT Shares pursuant to the Scheme will likely be a taxable transaction for United States federal income tax purposes and under applicable United States state and local, as well as foreign and other, tax laws. Each AdEPT Shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them.

It may be difficult for US holders to enforce their rights and claims arising out of the US federal securities laws, since Bidco and AdEPT are located in countries other than the US, and some or all of their officers and directors may be residents of countries other than the US. US holders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US

securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

In accordance with normal UK practice and consistent with Rule 14e-5(b) of the US Exchange Act, (to the extent applicable) Bidco, certain affiliated companies and their nominees or brokers (acting as agents) may make certain purchases of, or arrangements to purchase, shares in AdEPT outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes Effective, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made they would occur either in the open market at prevailing prices or in private transactions at negotiated prices and comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase will be disclosed as required in the United Kingdom, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com.

Neither the United States Securities and Exchange Commission nor any US state securities commission has approved or disapproved the Acquisition, passed upon the merits or fairness of the Acquisition or passed any opinion upon the accuracy, adequacy or completeness of this Announcement (nor will it do so in respect of the Scheme Document). Any representation to the contrary is a criminal offence in the United States.

Forward looking statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Acquisition, and other information published by Bidco, AdEPT, any member of the Wider Wavenet Group or any member of the Wider AdEPT Group may contain statements which are, or may be deemed to be, "forward looking statements". Forward looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward looking statements.

The forward looking statements contained in this Announcement include statements relating to the expected effects of the Acquisition on Bidco, AdEPT, any member of the Wider Wavenet Group or any member of the Wider AdEPT Group (including their future prospects, developments and strategies), the expected timing and scope of the Acquisition and other statements other than historical facts. Often, but not always, forward looking statements can be identified by the use of forward looking words such as "prepares", "plans", "expects" or "does not expect", "is expected", "is subject to", "budget", "projects", "synergy", "strategy", "scheduled", "goal", "estimates", "forecasts", "intends", "cost-saving", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Forward looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Bidco's, AdEPT's, any member of the Wider Wavenet Group's or any member of the Wider AdEPT Group's operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on Bidco's, AdEPT's, any member of the Wider Wavenet Group's or any member of the Wider AdEPT Group's business.

Although Bidco and AdEPT believe that the expectations reflected in such forward looking statements are reasonable, Bidco, AdEPT, the Wider Wavenet Group and the Wider AdEPT Group can give no assurance that such expectations will prove to be correct. By their nature, forward looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual

results and developments to differ materially from those expressed or implied by such forward looking statements.

These factors include, but are not limited to: the ability to complete the Acquisition; the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions; changes in the global political, economic, business and competitive environments and in market and regulatory forces; changes in future exchange and interest rates; changes in tax rates; future business combinations or disposals; changes in general economic and business conditions; changes in the behaviour of other market participants; the anticipated benefits from the Acquisition not being realised as a result of changes in general economic and market conditions in the countries in which Bidco, AdEPT, the Wider Wavenet Group and/or the Wider AdEPT Group operate; weak, volatile or illiquid capital and/or credit markets; changes in the degree of competition in the geographic and business areas in which Bidco, AdEPT, the Wider Wavenet Group and/or the Wider AdEPT Group operate; and changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those expected, estimated or projected in the forward looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results may differ materially from those expected, estimated or projected. Such forward looking statements should therefore be construed in the light of such factors.

Neither Bidco, AdEPT, the Wider Wavenet Group nor the Wider AdEPT Group, nor any of their respective associates or directors, officers or advisers, provide any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward looking statements in this Announcement will actually occur. Given these risks and uncertainties, potential investors are cautioned not to place any reliance on these forward looking statements.

Specifically, statements of estimated cost savings and synergies related to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated.

Other than in accordance with their legal or regulatory obligations, neither Bidco, AdEPT, the Wider Wavenet Group nor the Wider AdEPT Group is under any obligation, and each such person expressly disclaims any intention or obligation to update or revise any forward looking statements, whether as a result of new information, future events or otherwise.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 pm (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3 of the Takeover Code.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4 of the Takeover Code).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

General

Bidco reserves the right to elect, with the consent of the Panel to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such an event, the Takeover Offer will be implemented on the same terms or, if Bidco so decides, on such other terms being no less favourable (subject to appropriate amendments), so far as applicable, as those which would apply to the Scheme and subject to the amendment referred to in Appendix 1 to this Announcement. Upon sufficient acceptances being received in respect of such Takeover Offer, Bidco intends to exercise its rights to apply the provisions of Chapter 3 of Part 28 of the Companies Act so as to acquire compulsorily the remaining AdEPT Shares in respect of which the Takeover Offer has not been accepted.

Investors should be aware that Bidco may purchase AdEPT Shares otherwise than under any Takeover Offer or the Scheme, including pursuant to privately negotiated purchases.

FOR IMMEDIATE RELEASE

8 February 2023

**RECOMMENDED CASH ACQUISITION
OF
ADEPT TECHNOLOGY GROUP PLC
BY
THETIS BIDCO LIMITED
a member of the Wavenet Group**

**to be implemented by means of a Scheme of Arrangement
under Part 26 of the Companies Act 2006**

1. Introduction

The boards of Thetis Bidco Limited ("**Bidco**"), a member of the Wavenet Group and also a subsidiary of Macquarie Group Limited, and AdEPT Technology Group plc ("**AdEPT**") are pleased to announce that they have reached agreement on the terms and conditions of a recommended all cash offer by Bidco for the entire issued and to be issued ordinary share capital of AdEPT (the "**Acquisition**"). The Acquisition is intended to be implemented by means of a scheme of arrangement under Part 26 of the Companies Act.

2. The Acquisition

Under the terms of the Acquisition, which will be subject to the Conditions and further terms set out in Appendix 1 to this Announcement and the full terms and conditions to be set out in the Scheme Document, each AdEPT Shareholder will be entitled to receive:

for each AdEPT Share: 201 pence in cash

The Acquisition values the entire issued, and to be issued, ordinary share capital of AdEPT at approximately £50.3 million.

The price per AdEPT Share represents a premium of approximately:

- 74.8 per cent. to the Closing Price of 115 pence per AdEPT Share on 7 February 2023 (being the last Business Day before the date of the commencement of the Offer Period); and
- 77.4 per cent. to the volume-weighted average price of 113 pence per AdEPT Share for the three-month period ended 7 February 2023.

As part of the Acquisition, the AdEPT Board has resolved to cancel the interim dividend of 2.50 pence per AdEPT Share in respect of the six months ended 30 September 2022, which was announced on

15 November 2022 with a record date of 10 March 2023 and a payment date of 7 April 2023. If for any reason the Acquisition does not become Effective the AdEPT Board intends to reinstate the interim dividend of 2.50 pence per AdEPT Share with the record date and payment date to be confirmed at the time of reinstatement.

If any dividend, other distribution and/or other return of value is proposed, authorised, declared, made or paid or becomes payable in respect of AdEPT Shares on or after the date of this Announcement and before the Effective Date, Bidco reserves the right to reduce the Consideration by the amount of any such dividend, other distribution and/or other return of value.

If Bidco exercises its right to reduce the Consideration by all or part of the amount of any dividend, other distribution and/or other return of value, the relevant eligible AdEPT Shareholders will be entitled to receive and retain such dividend, other distribution and/or other return of value, and any reference in this announcement to the Consideration will be deemed to be a reference to the Consideration as so reduced.

Any exercise by Bidco of its rights referred to in the above paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme. If and to the extent that any such dividend, other distribution and/or other return of value has been declared or announced but not paid or made or is not payable in respect of the AdEPT Shares prior to the Effective Date or by reference to a record date prior to the Effective Date or such dividend, other distribution and/or other return of value is: (i) transferred pursuant to the Acquisition on a basis which entitles Bidco to receive the dividend, other distribution and/or other return of value and to retain it; or (ii) cancelled before payment, the Consideration shall not be subject to change in accordance with the above paragraph.

It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (although Bidco reserves the right to effect the Acquisition by way of a Takeover Offer, subject to the consent of the Panel).

It is expected that the Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and the General Meeting, together with the associated forms of proxy, will be posted to AdEPT Shareholders within 28 days of this Announcement (or such later time as AdEPT, Bidco and the Panel agree) and the Meetings are expected to be held shortly thereafter.

The Scheme will also need to be sanctioned by the Court. Finally, a copy of the Court Order must be delivered to the Registrar of Companies for registration, upon which the Scheme will become Effective.

The Acquisition is currently expected to become Effective in Spring 2023, subject to the satisfaction (or, where applicable, waiver) of the Conditions and further terms set out in Appendix 1 to this Announcement, including the NS&I Act Condition set out in paragraph 3 of Appendix 1. An expected timetable of key events relating to the Acquisition will be provided in the Scheme Document.

The AdEPT Shares will be acquired fully paid and free from all liens, charges, equitable interests, encumbrances and rights of pre-emption and any other interests of any nature whatsoever and together with all rights attaching thereto.

Bidco is also the non-trading holding company of Wavenet, including Wavenet Limited and OGL Computer Support Holdings Limited. The directors of Bidco are William (Bill) Dawson, Venetia Cooper, Philip Grannum and Stewart Motler.

6. Information on AdEPT

The AdEPT Group is one of the UK's leading independent providers of managed services for IT, unified communication, connectivity, voice and cloud services. AdEPT was established in January 2003 and the AdEPT Shares were admitted to trading on AIM in February 2006.

AdEPT deploys products from a number of communications and IT partners to provide solutions tailored to meet the specific requirements of its customers. AdEPT offers comprehensive communications and IT solutions to over 12,000 customer sites across the UK in both the public and private sectors. It has a number of long-standing strategic relationships with leading vendors such as Openreach, Convergence Group, Extreme Networks, Cato Networks, Virgin Media Business, Avaya and Microsoft. AdEPT also has a history of successfully acquiring and integrating businesses with complementary and additional product ranges to enhance the AdEPT Group's capabilities.

The AdEPT Group employs c.340 people across nine UK offices in London, Tunbridge Wells, Fleet, Northampton, Chingford, St Neots, Dorking, Orpington and Doncaster.

For its financial year ended 31 March 2022, AdEPT reported revenues of £68.1 million (2021: £57.9 million) and underlying EBITDA of £11.9 million (2021: £9.8 million).

7. The AdEPT Group's current trading

On 15 November 2022, AdEPT announced its unaudited results for the six months ended 30 September 2022, reporting revenues of £34.2 million (H1 22: £34.3 million), underlying EBITDA of £5.4 million (H1 22: £5.7 million) and adjusted profit before tax of £3.0 million (H1 22: £3.1 million).

Since 30 September 2022 (being the date to which the AdEPT Group's interim results were drawn up), the AdEPT Group has continued to demonstrate its resilience and has maintained the trend of organic growth in recurring Managed Services experienced in the first half of its financial year. Strong engagement with key partners and management of the supply chain has enabled increased project delivery and an increase in one-off revenues. Traditional Fixed Line services continued their expected structural decline in line with prior periods.

In the three-month period ended 31 December 2022 the AdEPT Group traded in line with the AdEPT Board's expectations.

Whilst the AdEPT Board is cognisant of the current challenges presented by the macroeconomic environment, it remains confident in the long-term prospects of AdEPT.

8. Background to and reasons for the Acquisition

The UK technology managed services industry remains diverse and unconsolidated. Wavenet sees a significant opportunity to build a broad suite of technology managed services products, and continue to diversify its customer base into attractive customer sectors, via the acquisition of complementary businesses like AdEPT. The board and management of Wavenet believe that scaled operators, with broad product capabilities, will benefit from outsized market growth.

Wavenet has a track record of successfully acquiring and integrating businesses; AdEPT would represent the fifth acquisition made in less than two years since MPRC Europe Limited's initial investment into Wavenet.

Wavenet believes that there will be an opportunity to take best practice from both groups across all operational functions to enhance the way services are delivered to an expanded client base, and to do so in a more cost-efficient manner.

9. Recommendation

The AdEPT Directors, who have been so advised by Houlihan Lokey and Singer Capital Markets as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing their advice to the AdEPT Directors, Houlihan Lokey and Singer Capital Markets have taken into account the commercial assessments of the AdEPT Directors. Houlihan Lokey and Singer Capital Markets are providing independent financial advice to the AdEPT Directors for the purposes of Rule 3 of the Takeover Code.

Accordingly, the AdEPT Directors confirm that they intend to recommend unanimously that AdEPT Shareholders vote to approve the Scheme at the Court Meeting and to vote in favour of the

Resolutions to be proposed at the General Meeting, as those AdEPT Directors who hold AdEPT Shares and certain of the AdEPT Directors' connected persons have irrevocably undertaken to do (or procure to be done) in respect of their own holdings over which they have control, being, in aggregate, 846,221 AdEPT Shares representing approximately 3.4 per cent. of the ordinary share capital of AdEPT in issue as at the Latest Practicable Date.

10. Background to and reasons for the recommendation

Since 2015, the AdEPT Board has pursued a strategy of building a fully capable, cloud-centric, managed services business, with a highly skilled workforce and the ability to wrap solutions with consulting expertise. With a clear focus on growing its recurring revenue, AdEPT has successfully transitioned from its legacy reliance on fixed line services, which are in structural decline. AdEPT is now a well-invested, operationally efficient business, providing a comprehensive portfolio of complementary IT and communications infrastructure and services.

This transformation has been achieved in large part through the implementation of a successful acquisition strategy. This has added new services to the AdEPT Group, extending its portfolio of services and achieving economies of scale, and was underpinned by an investment in a comprehensive operating platform, One AdEPT, delivering operational efficiencies.

The AdEPT Board believes that there will continue to be a growing convergence of telecoms, IT services and infrastructure, coupled with an ongoing acceleration in strategic IT investments, as new and existing clients invest in their long-term ICT requirements and digital transformation. These market demands will continue to benefit businesses, such as AdEPT, which have strong capabilities and expertise across multiple product segments.

The AdEPT Board believes that the AdEPT operating platform will continue to strengthen AdEPT's relationships with key partners, customers, and major UK network operators, deploy a greater range of capabilities to both new and existing customers and leverage its strong supplier relationships, driving organic growth.

However, whilst the AdEPT Board believes its strategy is capable of delivering long-term growth and profitability, it recognises that uncertainties and risks exist in the short-term, most of which are beyond AdEPT's control. Supply chain constraints, whilst being mitigated to a large extent, continue to provide challenges and these, combined with cost inflation headwinds and a deteriorating macro environment, are impacting AdEPT's near-term growth.

The AdEPT Board believes that the weak macroeconomic outlook in the UK is placing significant pressure on many smaller quoted companies. The AdEPT Board believes that the current market capitalisation of AdEPT is affecting its ability to raise new capital at sensible valuations and, therefore, its ability to optimise AdEPT's growth over the medium term.

In considering its recommendation of the Acquisition, the AdEPT Board has taken into account the risks inherent in the continued execution of its strategy on a standalone basis, AdEPT's current trading environment, and the potential for future growth in equity value for shareholders against the certainty of a cash offer. The AdEPT Board believes that the terms of the Acquisition fairly recognise the medium-term prospects and growth potential of AdEPT as a standalone business.

The Acquisition provides AdEPT Shareholders with an immediate, certain and attractive cash value. The AdEPT Board recognises that the market in AdEPT Shares is relatively illiquid, with average daily volumes traded during the twelve month period ended 7 February 2023 being only 11,607 AdEPT Shares. This makes it challenging for AdEPT Shareholders to monetise their holdings should they so wish. The Acquisition provides the opportunity for AdEPT Shareholders to realise their entire investment at an attractive valuation in cash. The AdEPT Board notes that a number of AdEPT shareholders, with aggregate interests in AdEPT Shares totalling c.56.6 per cent of the issued AdEPT Shares, have given irrevocable undertakings and letters of intent to support the Acquisition.

The AdEPT Board also notes that, prior to agreeing the terms of the Acquisition it, along with AdEPT's financial advisers, sought and evaluated a number of other expressions of interest in AdEPT in order to ensure that the position of AdEPT Shareholders was optimised. The AdEPT Board highlights that, as at the date of this Announcement, AdEPT is no longer in discussions with any other party.

Therefore, after careful consideration of the Acquisition, the AdEPT Board has concluded that the Acquisition represents good value given the balance of future opportunities and risks facing AdEPT.

Furthermore, the AdEPT Board notes that the Acquisition represents a premium of approximately:

- 74.8 per cent. to the Closing Price of 115 pence per AdEPT Share on 7 February 2023 (being the last Business Day before the date of the commencement of the Offer Period); and
- 77.4 per cent. to the volume-weighted average price of 113 pence per AdEPT Share for the three-month period ended 7 February 2023.

In addition to the financial terms of the Acquisition, in its evaluation of Wavenet as a suitable owner of AdEPT from the perspective of all stakeholders, the AdEPT Board has also taken into account Wavenet's intentions for the business, management and employees and other stakeholders of AdEPT, as set out in paragraph 12 below. In particular, the AdEPT Board notes that, whilst Bidco's proposed operational and administrative restructuring may result in a reduction in the total number of roles in the Combined Group, Bidco has stated that, where possible, it will look to reallocate staff from discontinued roles which, the AdEPT Board hopes, will minimise any job losses. The AdEPT Board also notes that Bidco intends to safeguard the existing contractual and statutory employment rights of the employees of AdEPT upon completion of the Acquisition. The AdEPT Board acknowledges the likely benefits to AdEPT in the next phase of its growth by becoming part of a larger, well-funded private group with access to additional growth finance. The AdEPT Board anticipates that the Acquisition will allow the Combined Group to cross sell its capabilities, increase its buying power and, with other potential synergies, make it more competitive which will, in turn, present additional career opportunities for those employees within it.

Accordingly, following careful consideration of the above factors, the AdEPT Board intends to recommend unanimously that AdEPT Shareholders vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting.

11. Irrevocable undertakings and letter of intent

As described in paragraph 9 above, Bidco has received irrevocable undertakings to vote (or, where applicable, procure voting) in favour of the Scheme at the Court Meeting and the Resolutions to be

proposed at the General Meeting (or, in the event that the Acquisition is implemented by a Takeover Offer, to accept or procure acceptance of such Takeover Offer) from all of the AdEPT Directors who hold AdEPT Shares (and certain of the AdEPT Directors' connected persons), in respect of their own legal and/or beneficial holdings which are under their control, totalling 846,221 AdEPT Shares (representing approximately 3.4 per cent. of the existing issued ordinary share capital of AdEPT as at the Latest Practicable Date), as well as any further AdEPT Shares of which they may become the legal or beneficial holder.

All of the AdEPT Directors support the Acquisition, as set out in paragraph 9 above.

In addition to the irrevocable undertakings given by the AdEPT Directors and certain of the AdEPT Directors' connected persons, certain AdEPT Shareholders have given irrevocable undertakings to vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by a Takeover Offer, to accept or procure acceptance of such Takeover Offer), in each case in respect of their own legal and/or beneficial holdings (or those AdEPT Shares over which they have control) of AdEPT Shares.

As at 8 February 2023 (being the date of this Announcement) all irrevocable undertakings received together represented, in aggregate, 13,374,077 AdEPT Shares representing approximately 53.4 per cent. of the ordinary share capital of AdEPT in issue as at the Latest Practicable Date.

Bidco has also received a non-binding letter of intent from an AdEPT Shareholder to vote to approve the Scheme at the Court Meeting and to vote in favour of the Resolutions to be proposed at the General Meeting. As at the date of this Announcement, this letter of intent represented 786,912 AdEPT Shares representing approximately 3.1 per cent. of the ordinary share capital of AdEPT in issue as at the Latest Practicable Date.

Bidco has therefore received irrevocable undertakings or a letter of intent in respect of a total of 14,160,989 AdEPT Shares, representing, in aggregate, approximately 56.6 per cent. of the ordinary share capital of AdEPT in issue as at the Latest Practicable Date. Shareholders holding AdEPT Shares representing 24.6 per cent. of the ordinary share capital of AdEPT in issue as at the Latest Practicable Date have provided hard irrevocable undertakings.

Further details of these irrevocable undertakings and letter of intent, including the circumstances in which they cease to be binding, are set out in Appendix 3 to this Announcement.

12. AdEPT directors, management, employees, pensions, research and development and locations

Bidco attaches great importance to the skills, experience and commitment of AdEPT's employees, and recognises that they, together with Wavenet's employees, will be key to the success of the Combined Group.

Management, Employees, Headquarters and Locations

Following completion of the Acquisition, Bidco intends to retain the best talent of Wavenet and AdEPT to maintain its market-leading levels of support for its customers, clients and partners, and to focus on the growth potential of the Combined Group.

In order to realise the benefits of the Acquisition, Bidco management considers that operational and administrative restructuring will be required to reduce the duplication of roles, including in overlapping central, operational and support functions, as well as with regard to the senior management team. Bidco management therefore expect that there will be a less than 10 per cent. reduction in the total number of roles in the Combined Group, some of which will take place via natural attrition. Where possible Bidco will look to reallocate staff from discontinued roles arising from the integration to new roles, including into current vacancies within both the Wavenet and AdEPT groups. Wavenet will look to review the talents of the staff in conjunction with AdEPT management after completion of the Acquisition and as such no definitive decisions have been made on the quantum or make up of any restructuring.

The Combined Group will also benefit from the combination of office locations, particularly where Wavenet and AdEPT offices are in relatively close proximity. No definitive decisions have been made, and office locations will be determined over the next 12 months and beyond by the locations of staff following the reallocations, restructuring and natural attrition mentioned above, as well as by lease end and break dates. This includes the AdEPT head office, for which a new lease has recently been signed with a first break date in December 2027. It is the intention that Wavenet's head office in Solihull will become the head office of the Combined Group. Where appropriate, and subject to the requirements of the business, Bidco will look to provide affected staff with a flexible- and/or home-office work environment.

All of the restructuring set out above will be subject to a full review following the Effective Date, once Bidco management have been able to evaluate the opportunities in the Combined Group over a more extended period, and to comprehensive planning and appropriate engagement with affected employees, stakeholders and representatives in accordance with the legal obligations of the Combined Group.

Other than as described above, Bidco does not anticipate that there will be any material change to the balance of skills and functions of the employees in the Combined Group.

Bidco intends to safeguard the existing contractual and statutory employment rights of the employees of Wavenet and AdEPT in accordance with applicable law upon completion of the Acquisition.

Following completion of the Acquisition and as part of integration planning, Bidco may review the remuneration and incentivisation arrangements of AdEPT as part of the Combined Group, as well as redundancy and other policies, with a view to harmonising employee benefits across the Combined Group.

All AdEPT non-executive directors have agreed to resign as directors of AdEPT with effect from completion of the Acquisition.

Management Bonus, Settlement and Amendment Agreements

The Remuneration Committee of the AdEPT Board has, with the input and consent of Bidco, approved amendments to the bonus arrangements for the years ending 31 March 2023 and 2024 and certain other employment arrangements relating to the AdEPT Executive Directors (being Phil

Race, John Swaite and Andy Lovett), some of which are subject to the Acquisition becoming Effective. Further details of these arrangements will be contained in the Scheme Document.

AdEPT Group Pension Schemes

Bidco does not intend to make any material changes to the eligibility rules or contribution rates that currently apply under AdEPT's defined contribution pension plans and intends to comply with all applicable law in this regard. AdEPT does not operate a defined benefit pension scheme.

Research and development and fixed assets

AdEPT does not have any employees conducting full time research and development. Bidco has no plans to change this.

Other than as described above, Bidco does not anticipate that there will be any material redeployment of the fixed assets of AdEPT.

Trading Facilities

The AdEPT Shares are currently admitted to trading on AIM. As set out in paragraph 19 below, before the Scheme becomes Effective, it is intended that applications will be made to the London Stock Exchange for the cancellation of trading of the AdEPT Shares on AIM, with effect shortly following the Effective Date.

No post-offer undertakings

None of the statements in this paragraph 12 is a "post-offer undertaking" for the purposes of Rule 19.5 of the Takeover Code.

13. Financing of the Acquisition

The Acquisition will be fully funded through a combination of new debt and equity financing.

The equity financing will be provided by MPRC Europe Limited, the majority investor in the Wavenet Group, pursuant to an equity commitment letter (the "**Equity Commitment Letter**"). The debt financing will be provided by funds controlled or managed by Ares Management Limited and will be made available by way of Bidco drawing on a new incremental term facility established pursuant to an incremental facility notice (the "**Incremental Facility Notice**") in accordance with the terms of the existing debt financing arrangements of the Wavenet Group (the "**Incremental Facility Agreement**").

Under the terms of the Incremental Facility Agreement, Bidco has agreed that, save as required by the Takeover Code, the Panel, the Court and/or any applicable law or regulation or with the consent of the Agent (as defined in the Incremental Facility Agreement) it will not amend, vary, waive or otherwise modify the terms and conditions of the Acquisition to the extent such amendment, variance, waiver or modification would be materially prejudicial to the interests of the Lenders (as defined in the Incremental Facility Agreement).

Cardean Bell and March Harvey, in their capacity as financial advisers to Bidco, are satisfied that sufficient resources are available to Bidco to enable it to satisfy in full the cash consideration payable to Scheme Shareholders under the terms of the Acquisition.

Further information on the financing of the Acquisition will be set out in the Scheme Document.

14. AdEPT Share Options

Holders of the AdEPT Share Options will be contacted regarding the effect of the Acquisition on their rights under the AdEPT Share Options and an appropriate proposal will be made to such participants in accordance with the provisions of Rule 15 of the Takeover Code, and such proposal shall reflect their rights under the AdEPT Share Options in due course.

Details of the impact of the Scheme on the AdEPT Share Options and the offer will be set out in the Scheme Document.

15. Convertible Loan Note

The Convertible Loan Notes are held by a single noteholder and will be redeemed in full on completion of the Acquisition. The exercise price for conversion of the Convertible Loan Notes is significantly higher than the Consideration and the holder of the Convertible Loan Notes has undertaken not to convert the Convertible Loan Notes into AdEPT Shares, pursuant to the irrevocable undertaking detailed in Appendix 3 to this Announcement.

16. Offer-related arrangements

Confidentiality Agreement

On 18 October 2022, Thetis Topco Limited ("**Topco**") (a parent undertaking of Bidco) and AdEPT entered into a confidentiality agreement (the "**Confidentiality Agreement**") pursuant to which Topco has undertaken to keep, and to procure that certain of its representatives keep, confidential information relating to AdEPT and/or to the Acquisition, to use such information solely for the agreed purposes in relation to the Acquisition and not to disclose it to third parties (other than certain permitted parties and with certain other customary exceptions).

These confidentiality obligations will remain in force until the earlier of: (a) completion of the Acquisition; and (b) two years from the date of the Confidentiality Agreement.

Topco has also agreed to customary standstill arrangements pursuant to which it has agreed that, without the prior written consent of AdEPT, it will not, and procure Bidco will not, acquire AdEPT Shares or any interest in AdEPT Shares. These restrictions fall away immediately upon the making of this Announcement.

17. Structure of the Acquisition

It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement between AdEPT and Scheme Shareholders under Part 26 of the Companies Act (although Bidco reserves the right to effect the Acquisition by way of a Takeover Offer, subject to the consent of the Panel).

The purpose of the Scheme is to provide for Bidco to become the holder of the entire issued and to be issued ordinary share capital of AdEPT. This is to be achieved by the transfer of the AdEPT Shares (other than any Excluded Shares) to Bidco, in consideration for which the AdEPT Shareholders will receive the cash consideration on the basis set out in paragraph 2 above.

The Acquisition is subject to the Conditions and certain further terms referred to in Appendix 1 to this Announcement and to the full terms and conditions to be set out in the Scheme Document, and will only become Effective if, among other things, the following events occur on or before the Long Stop Date:

- a notification is made and accepted under the NS&I Act and one of the events set out in paragraph 3 of Appendix 1 to this Announcement has occurred;
- a resolution to approve the Scheme is passed by a majority in number of the Scheme Shareholders present and voting (and entitled to vote) at the Court Meeting, either in person or by proxy, representing at least 75 per cent. in value of the Scheme Shares voted by those Scheme Shareholders;
- the Resolutions required to implement the Scheme being duly passed by AdEPT Shareholders at the General Meeting representing at least 75 per cent. of the votes validly cast on such Resolutions, either in person or by proxy;
- following the Court Meeting and the General Meeting, the Scheme is sanctioned by the Court (without modification, or with modification on terms agreed by Bidco and AdEPT); and
- following such sanction, a copy of the Court Order is delivered to the Registrar of Companies.

The Scheme will lapse if, amongst other things:

- the Court Meeting and the General Meeting are not held on or before the 22nd day after the expected date of such Meetings, which will be set out in the Scheme Document (or such later date as may be agreed between Bidco and AdEPT, with the consent of the Panel and, if required, the Court);
- the Sanction Hearing to approve the Scheme is not held on or before the 22nd day after the expected date of such hearing, which will be set out in the Scheme Document (or such later date as may be agreed between Bidco and AdEPT, with the consent of the Panel and, if required, the Court); or
- the Scheme does not become Effective on or before the Long Stop Date,

provided, however, that the deadlines for the Court Meeting, the General Meeting and the Sanction Hearing as set out above may be waived by Bidco and the deadline for the Scheme to become Effective may be extended by agreement between AdEPT and Bidco, with the consent of the Panel and, if required, the Court.

Once the necessary approvals from AdEPT Shareholders have been obtained and the other Conditions have been satisfied or (where applicable) waived and the Scheme has been approved by the Court, the Scheme will become Effective upon delivery of the Court Order to the Registrar of Companies. Subject to the satisfaction (or, where applicable, waiver) of the Conditions and the further terms set out in Appendix 1 to this Announcement, including the NS&I Act Condition set out in paragraph 3 of Appendix 1 to this Announcement, the Scheme is expected to become Effective in Spring 2023.

Upon the Scheme becoming Effective: (i) it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the General Meeting (and if they attended and voted, whether or not they voted in favour); and (ii) entitlements to AdEPT Shares held within the CREST system will be cancelled and such entitlements rematerialised; and (iii) share certificates in respect of AdEPT Shares will cease to be valid. The Consideration will be dispatched to AdEPT Shareholders no later than 14 days after the Effective Date.

Any AdEPT Shares issued before the Scheme Record Time will be subject to the terms of the Scheme. The Resolutions to be proposed at the General Meeting will, amongst other matters, provide that the AdEPT Articles be amended to incorporate provisions requiring any AdEPT Shares issued after the Scheme Record Time (other than to Bidco and/or its nominees) to be automatically transferred to Bidco (and, where applicable, for Consideration to be paid to the original recipient of the AdEPT Shares so issued) on the same terms as the Acquisition (other than terms as to timings and formalities). The provisions of the AdEPT Articles (as amended) will avoid any person (other than Bidco and its nominees) holding shares in the capital of AdEPT after the Effective Date.

Bidco reserves the right to elect to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme (subject to the Panel's consent). In such event, the Acquisition will be implemented on the same terms (subject to appropriate amendments including (without limitation) the inclusion of an acceptance condition which, unless otherwise required by the Panel, will be set at 90 per cent. (or such lesser percentage as Bidco may decide after, to the extent necessary, consultation with the Panel, being in any case more than 50 per cent. of the voting rights attaching to the AdEPT Shares) of the shares to which the Acquisition relates and those required by, or deemed appropriate by, Bidco under applicable law, so far as applicable) as those which would apply to the Scheme. Further, if sufficient acceptances of such Takeover Offer are received and/or sufficient AdEPT Shares are otherwise acquired, it is the intention of Bidco to apply the provisions of the Companies Act to acquire compulsorily any outstanding AdEPT Shares to which such Takeover Offer relates.

Further details of the Scheme, including expected times and dates for each of the Court Meeting, the General Meeting and the Sanction Hearing, together with notices of the Meetings and with the associated forms of proxy, will be set out in the Scheme Document, which will be posted to AdEPT Shareholders within 28 days of this Announcement (or such later time as AdEPT, Bidco and the Panel agree) and the Meetings are expected to be held shortly thereafter. The General Meeting is expected to be held immediately after the Court Meeting.

The Scheme will be governed by the laws of England and Wales and will be subject to the jurisdiction of the courts of England and Wales. The Scheme will be subject to the applicable requirements of

the Takeover Code, the Panel, the London Stock Exchange, the AIM Rules, the FCA and the Registrar of Companies.

18. Conditions to the Acquisition

The Acquisition will be on the terms and subject to the Conditions set out in Appendix 1 to this Announcement, including those referred to in paragraph 17 above and the NS&I Act Condition set out in paragraph 3 of Appendix 1 to this Announcement, and the full terms and conditions will be set out in the Scheme Document.

19. Cancellation of admission to trading of AdEPT Shares

Before the Scheme becomes Effective, it is intended that applications will be made to the London Stock Exchange for the cancellation of admission of the AdEPT Shares to trading on AIM, with effect from or shortly following the Effective Date. The last day of dealings in, and registration of transfers of, AdEPT Shares on AIM is expected to be the Business Day immediately prior to the Effective Date.

On the Effective Date, share certificates in respect of AdEPT Shares will cease to be valid and entitlements to AdEPT Shares held within the CREST system will be cancelled. AdEPT Shareholders shall be required to return share certificates to AdEPT or destroy them following the Effective Date.

It is also proposed that, following the Effective Date and after admission of its shares to trading on AIM is cancelled, AdEPT will be re-registered as a private limited company under the relevant provisions of the Companies Act.

20. Disclosure of Interests in AdEPT securities

As at the Latest Practicable Date, save for the irrevocable undertakings referred to in paragraph 11 above and the information in the table below, neither Bidco, nor any of its directors, nor, so far as Bidco is aware, any person acting in concert (within the meaning of the Takeover Code) with any of them for the purposes of the Acquisition had:

- any interest in or right to subscribe for any relevant securities of AdEPT;
- any short positions in respect of relevant securities of AdEPT (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery;
- borrowed or lent any relevant securities of AdEPT (including, for these purposes, any financial collateral arrangements of the kind referred to in Note 4 on Rule 4.6 of the Takeover Code), save for any borrowed relevant securities of AdEPT which had been either on-lent or sold; and/or
- entered into any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Takeover Code.

Name	Capacity	Nature of Interest	Number of interests in securities in AdEPT
Oliver Levy	Director of MarchHarvey Ltd	Shareholder	3,214

"Interests in securities" for these purposes and within the meaning of the Takeover Code arise, in summary, when a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). In particular, a person will be treated as having an 'interest' by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to, securities.

It has not been practicable for Bidco to make enquiries of all of its concert parties in advance of the release of this Announcement. Therefore, all relevant details in respect of Bidco's concert parties will be included in its Opening Position Disclosure in accordance with Rule 8.1(a) and Note 2(a)(i) on Rule 8 of the Takeover Code.

Further information

This Announcement is for information purposes only and is not intended to, and does not, constitute or form part of any offer or inducement to sell or an invitation to purchase, otherwise acquire, subscribe for, sell or otherwise dispose of, any securities or a solicitation of an offer to buy any securities, any vote or approval in any jurisdiction pursuant to the Acquisition or otherwise, nor shall there be any purchase, sale, issuance or exchange of securities or such solicitation in any jurisdiction in which such offer, solicitation, sale issuance or exchange is unlawful. The Acquisition will be made solely by means of the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Offer Document), which will contain the full terms and conditions of the Acquisition, including details of how to vote in respect of the Acquisition. Any decision in respect of, or other response to, the Acquisition should be made only on the basis of the information in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Offer Document).

This Announcement has been prepared in connection with proposals in relation to a scheme of arrangement pursuant to and for the purpose of complying with English law, the AIM Rules and the Takeover Code and information disclosed may not be the same as that which would have been disclosed if this Announcement had been prepared in accordance with the laws of jurisdictions outside England. Nothing in this Announcement should be relied on for any other purpose.

AdEPT and Bidco will prepare the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Offer Document) to be distributed to AdEPT Shareholders at no cost to them. AdEPT and Bidco urge AdEPT Shareholders to read the Scheme Document when it becomes available because it will contain important information relating to the Acquisition.

This Announcement does not constitute a prospectus, prospectus equivalent document or an exempted document.

Overseas jurisdictions

The release, publication or distribution of this Announcement in or into certain jurisdictions other than the United Kingdom may be restricted by law and therefore any persons into whose possession this Announcement comes should inform themselves of, and observe, such restrictions. Further details in relation to the Overseas Shareholders will be contained in the Scheme Document. Any failure to comply with any such restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

Unless otherwise determined by Bidco or required by the Takeover Code, and permitted by applicable law and regulation, the Acquisition shall not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may

vote in favour of the Scheme by any such means from within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this Announcement and all documents relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction, and persons receiving this Announcement and all documents relating to the Acquisition (including custodians, nominees and trustees) must not mail or otherwise distribute or send them in, into or from such jurisdictions where to do so would violate the laws in that jurisdiction.

The availability of the Acquisition to AdEPT Shareholders who are not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions in which they are resident. Persons who are not resident in the United Kingdom should inform themselves of, and observe, any applicable requirements. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

Additional information for US investors in AdEPT

AdEPT Shareholders in the United States should note that the Acquisition relates to the shares of an English company with a listing on AIM and is proposed to be effected by means of a scheme of arrangement under English law. This Announcement, the Scheme Document and certain other documents relating to the Acquisition have been or will be prepared in accordance with English law, the Takeover Code and UK disclosure requirements, format and style, all of which differ from those in the United States. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition is subject to the disclosure requirements of and practices applicable in the United Kingdom to schemes of arrangement, which differ from the disclosure requirements of the United States tender offer and proxy solicitation rules. If, in the future, Bidco exercises the right to implement the Acquisition by way of a Takeover Offer and determines to extend the offer into the United States, the Acquisition will be made in compliance with applicable United States laws and regulations, including any applicable exemptions under the US Exchange Act.

AdEPT's financial statements, and all financial information that is included in this Announcement, the Scheme Document or any other documents relating to the Acquisition, have been or will be prepared in accordance with IFRS and may not be comparable to financial statements of companies in the United States or other companies whose financial statements are prepared in accordance with US generally accepted accounting principles.

The receipt of cash pursuant to the Acquisition by a US holder as consideration for the transfer of its AdEPT Shares pursuant to the Scheme will likely be a taxable transaction for United States federal income tax purposes and under applicable United States state and local, as well as foreign and other, tax laws. Each AdEPT Shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them.

It may be difficult for US holders to enforce their rights and claims arising out of the US federal securities laws, since Bidco and AdEPT are located in countries other than the US, and some or all of their officers and directors may be residents of countries other than the US. US holders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

In accordance with normal UK practice and consistent with Rule 14e-5(b) of the US Exchange Act, (to the extent applicable) Bidco, certain affiliated companies and their nominees or brokers (acting as agents) may make certain purchases of, or arrangements to purchase, shares in AdEPT outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes Effective, lapses or is otherwise withdrawn. If such purchases or arrangements to purchase were to be made they would occur either in the open market at prevailing prices or in private transactions at negotiated prices and comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase will be disclosed as required in the United Kingdom, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com.

Neither the United States Securities and Exchange Commission nor any US state securities commission has approved or disapproved the Acquisition, passed upon the merits or fairness of the Acquisition or passed any opinion upon the accuracy, adequacy or completeness of this Announcement (nor will it do so in respect of the Scheme Document). Any representation to the contrary is a criminal offence in the United States.

Forward looking statements

This Announcement (including information incorporated by reference in this Announcement), oral statements made regarding the Acquisition, and other information published by Bidco, AdEPT, any member of the Wider Wavenet Group or any member of the Wider AdEPT Group may contain statements which are, or may be deemed to be, "forward looking statements". Forward looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward looking statements.

The forward looking statements contained in this Announcement include statements relating to the expected effects of the Acquisition on Bidco, AdEPT, any member of the Wider Wavenet Group or any member of the Wider AdEPT Group (including their future prospects, developments and strategies), the expected timing and scope of the Acquisition and other statements other than historical facts. Often, but not always, forward looking statements can be identified by the use of forward looking words such as "prepares", "plans", "expects" or "does not expect", "is expected", "is subject to", "budget", "projects", "synergy", "strategy", "scheduled", "goal", "estimates", "forecasts", "intends", "cost-saving", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Forward looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Bidco's, AdEPT's, any member of the Wider Wavenet Group's or any member of the Wider AdEPT Group's operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on Bidco's, AdEPT's, any member of the Wider Wavenet Group's or any member of the Wider AdEPT Group's business.

Although Bidco and AdEPT believe that the expectations reflected in such forward looking statements are reasonable, Bidco, AdEPT, the Wider Wavenet Group and the Wider AdEPT Group can give no assurance that such expectations will prove to be correct. By their nature, forward looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward looking statements.

These factors include, but are not limited to: the ability to complete the Acquisition; the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions; changes in the global political, economic, business and competitive environments and in market and regulatory forces; changes in future exchange and interest rates; changes in tax rates; future business combinations or disposals; changes in general economic and business conditions; changes in the behaviour of other market participants; the anticipated benefits from the Acquisition not being realised as a result of changes in general economic and market conditions in the countries in which Bidco, AdEPT, the Wider Wavenet Group and/or the Wider AdEPT Group operate; weak, volatile or illiquid capital and/or credit markets; changes in the degree of competition in the geographic and business areas in which Bidco, AdEPT, the Wider Wavenet Group and/or the Wider AdEPT Group operate; and changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those expected, estimated or projected in the forward looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results may differ materially from those expected, estimated or projected. Such forward looking statements should therefore be construed in the light of such factors.

Neither Bidco, AdEPT, the Wider Wavenet Group nor the Wider AdEPT Group, nor any of their respective associates or directors, officers or advisers, provide any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward looking statements in this Announcement will actually occur. Given these risks and uncertainties, potential investors are cautioned not to place any reliance on these forward looking statements.

Specifically, statements of estimated cost savings and synergies related to future actions and circumstances which, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated.

Other than in accordance with their legal or regulatory obligations, neither Bidco, AdEPT, the Wider Wavenet Group nor the Wider AdEPT Group is under any obligation, and each such person expressly disclaims any intention or obligation to update or revise any forward looking statements, whether as a result of new information, future events or otherwise.

No profit forecasts, estimates or qualified benefits statements

No statement in this Announcement, or incorporated by reference in this Announcement, is intended as a profit forecast, profit estimate or quantified benefits statement for any period and no statement in this Announcement should be interpreted to mean that earnings or earnings per share for AdEPT for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for AdEPT.

Rounding

Certain figures included in this Announcement have been subjected to rounding adjustments. Accordingly, figures shown for the same category presented in different tables may vary slightly and figures shown as totals in certain tables may not be an arithmetic aggregation of the figures that precede them.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 pm (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company

or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3 of the Takeover Code.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4 of the Takeover Code).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

General

Bidco reserves the right to elect, with the consent of the Panel to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such an event, the Takeover Offer will be implemented on the same terms or, if Bidco so decides, on such other terms being no less favourable (subject to appropriate amendments), so far as applicable, as those which would apply to the Scheme and subject to the amendment referred to in Appendix 1 to this Announcement. Upon sufficient acceptances being received in respect of such Takeover Offer, Bidco intends to exercise its rights to apply the provisions of Chapter 3 of Part 28 of the Companies Act so as to acquire compulsorily the remaining AdEPT Shares in respect of which the Takeover Offer has not been accepted.

Investors should be aware that Bidco may purchase AdEPT Shares otherwise than under any Takeover Offer or the Scheme, including pursuant to privately negotiated purchases.

If you are in any doubt about the contents of this Announcement or the action you should take, you are recommended to seek your own independent financial advice immediately from your stockbroker, bank manager, solicitor or independent financial adviser duly authorised under FSMA if you are resident in the United Kingdom or, if not, from another appropriate authorised independent financial adviser.

 - (b) (i) all Resolutions being duly passed by the requisite majority or majorities of AdEPT Shareholders at the General Meeting (or at any adjournment of that Meeting); and (ii) such General Meeting being held on or before the 22nd day after the expected date of such Meeting to be set out in the Scheme Document (or such later date as may be agreed by Bidco and AdEPT with the consent of the Panel, and the Court may approve (if such approval is required)); and

Regulatory clearances

In addition, subject as stated in Part B below and to the requirements of the Panel, Bidco and AdEPT have agreed that the Acquisition will be conditional upon the following Condition and, accordingly, the Court Order will not be delivered to the Registrar of Companies unless such Condition (as amended if appropriate) has been satisfied or, where relevant, waived:

3. a notification having been made and accepted under the NS&I Act and one of the following having occurred:
- (a) the Secretary of State confirming before the end of the review period that no further action will be taken in relation to the Acquisition; or
 - (b) the receipt of a final notification confirming that the Secretary of State will take no further action in relation to the call-in notice and the Acquisition pursuant to section 26(1)(b) of the NS&I Act; or
 - (c) the Secretary of State makes a final order pursuant to section 26(1)(a) of the NS&I Act in relation to the Acquisition, provided that such an order would not prevent completion of the Acquisition, and subject to such remedies or conditions under Part 2 of the NS&I Act as are acceptable to Bidco (and, to the extent relevant, all conditions or obligations contained in such an order necessary for completion of the Acquisition having been satisfied or complied with or any restriction preventing completion having been lifted or released).

General Conditions

In addition, subject as stated in Part B below and to the requirements of the Panel, Bidco and AdEPT have agreed that the Acquisition will be conditional upon the following Conditions and, accordingly, the Court Order will not be delivered to the Registrar of Companies unless such Conditions (as amended if appropriate) have been satisfied or, where relevant, waived:

General antitrust and regulatory

5. no antitrust regulator or Third Party having given notice of a decision to take, institute, implement or threaten any action, proceeding, suit, investigation, enquiry or reference (and in each case, not having withdrawn the same), or having required any action to be taken or otherwise having done anything, or having enacted, made or proposed any statute, regulation, decision, order or change to published practice or having taken any other steps (and in each case, not having withdrawn the same) and there not continuing to be outstanding any statute, regulation, decision or order which would or might:
- (a) require, prevent or delay the divestiture or alter the terms envisaged for such divestiture by any member of the Wider Wavenet Group or by any member of the Wider AdEPT Group of all or any part of its businesses, assets or property or impose any limitation on the ability of all or any of them to conduct their businesses (or any part thereof) or to own, control or manage any of their assets or properties (or any part thereof);
 - (b) require any member of the Wider Wavenet Group or the Wider AdEPT Group to acquire or offer to acquire any shares, other securities (or the equivalent) or interest in any member of the Wider AdEPT Group or any asset owned by any Third Party (other than in the implementation of the Acquisition);
 - (c) impose any limitation on, or result in a delay in, the ability of any member of the Wider Wavenet Group directly or indirectly to acquire, hold or to exercise effectively all or any rights of ownership in respect of shares, loans or securities convertible into shares or any other securities in any member of the Wider AdEPT Group or on the ability of any member of the Wider AdEPT Group or any member of the Wider Wavenet Group directly or indirectly to hold or exercise effectively all or any rights of ownership in respect of shares, loans or securities convertible into shares or any other securities (or the equivalent) in, or to exercise voting or management control over, any member of the Wider AdEPT Group;
 - (d) otherwise adversely affect any or all of the business, assets, profits, financial or trading position or prospects of any member of the Wider AdEPT Group or any member of the Wider Wavenet Group;
 - (e) result in any member of the Wider AdEPT Group or any member of the Wider Wavenet Group ceasing to be able to carry on business under any name under which it presently carries on business;

- (g) require, prevent or delay a divestiture by any member of the Wider Wavenet Group of any shares or other securities (or the equivalent) in any member of the Wider AdEPT Group or any member of the Wider Wavenet Group; or

and all applicable waiting and other time periods (including any extensions of them) during which any such antitrust regulator or Third Party could decide to take, institute, implement or threaten any such action, proceeding, suit, investigation, enquiry or reference or take any other step under the laws of any jurisdiction in respect of the Acquisition or the acquisition of any AdEPT Shares or otherwise intervene having expired, lapsed or been terminated;

Certain matters arising as a result of any arrangement, agreement, etc.

PART B: CERTAIN FURTHER TERMS OF THE ACQUISITION

1. Conditions 2(a), 2(b) and 3 to 11 (inclusive) of Part A above must each be fulfilled, determined by Bidco to be or to remain satisfied or (if capable of waiver) be waived by Bidco prior to the commencement of the Sanction Hearing, failing which the Scheme will lapse.
 2. Notwithstanding the paragraph above, subject to the requirements of the Panel and the Takeover Code, Bidco reserves the right in its sole discretion to waive:
 - (a) the deadline set out in Condition 1 of Part A above, and any deadlines set out in Condition 2 of Part A above for the timing of the Court Meeting, the General Meeting and the Sanction Hearing. If any such deadline is not met, Bidco shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked or waived the relevant Condition or agreed with AdEPT to extend the deadline in relation to the relevant Condition. In all other respects, Conditions 1 and 2 of Part A above cannot be waived; and
 - (b) in whole or in part, all or any of Conditions 3 to 11 (inclusive) of Part A above.
 3. If Bidco is required by the Panel to make an offer for AdEPT Shares under the provisions of Rule 9 of the Takeover Code, Bidco may make such alterations to any of the above Conditions and terms of the Acquisition as are necessary to comply with the provisions of that Rule.
 4. Under Rule 13.5(a) of the Takeover Code, Bidco may only invoke a Condition that is subject to Rule 13.5(a) of the Takeover Code so as to cause the Acquisition not to proceed, to lapse or to be withdrawn with the consent of the Panel. The Panel will normally only give its consent if the circumstances which give rise to the right to invoke the Condition are of material significance to Bidco in the context of the Acquisition. This will be judged by reference to the facts of each case at the time that the relevant circumstances arise. Conditions 1, 2(a), 2(b) and 2(c) of Part A above and, if applicable, any acceptance condition if the Acquisition is implemented by means of a Takeover Offer, are not subject to Rule 13.5(a) of the Takeover Code.
 5. Any Condition that is subject to Rule 13.5(a) of the Takeover Code may be waived by Bidco.
 6. Subject to paragraph 3(g) of Appendix 7 to the Takeover Code, Bidco will be under no obligation to waive (if capable of waiver) or to treat as fulfilled any of the Conditions by a date earlier than the latest date for the fulfilment of that Condition notwithstanding that the other Conditions of the Acquisition may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
 7. Each of the Conditions will be regarded as a separate Condition and will not be limited by reference to any other Condition.
-

- 8.** Bidco reserves the right to elect to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme (subject to the Panel's consent). In such event, the Acquisition will be implemented on the same terms (subject to appropriate amendments including (without limitation) the inclusion of an acceptance condition which, unless otherwise required by the Panel, will be set at 90 per cent. (or such lesser percentage as Bidco may decide after, to the extent necessary, consultation with the Panel, being in any case more than 50 per cent. of the voting rights attaching to AdEPT Shares) of shares to which the Acquisition relates and those required by, or deemed appropriate by, Bidco under applicable law, so far as applicable) as those which would apply to the Scheme. Further, if sufficient acceptances of such Takeover Offer are received and/or sufficient AdEPT Shares are otherwise acquired, it is the intention of Bidco to apply the provisions of the Companies Act to acquire compulsorily any outstanding AdEPT Shares to which such Takeover Offer relates.
- 9.** The AdEPT Shares to be acquired under the Acquisition will be acquired with full title guarantee, fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them, including, without limitation, voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid, or any other return of value (whether by reduction of share capital or share premium account or otherwise) made, on or after the Effective Date (other than any dividend in respect of which a corresponding reduction in the Consideration has been made as described in paragraph 10 below).
- 10.** If, on or after the date of this Announcement and prior to the Effective Date, any dividend, distribution or other return of value is proposed, declared, paid or made or becomes payable by AdEPT in respect of AdEPT Shares, Bidco reserves the right (without prejudice to any right of Bidco, with the consent of the Panel, to invoke Condition 7(b) of Part A above) to reduce the Consideration to reflect the aggregate amount of such dividend, distribution or other return of value. In such circumstances, AdEPT Shareholders would be entitled to receive and retain any such dividend, distribution or other return of value declared, made or paid.

If and to the extent that any such dividend, distribution or other return of value is paid or made in respect of AdEPT Shares prior to the Effective Date, and Bidco exercises its rights under this paragraph to reduce the Consideration, any reference in this Announcement to the Consideration shall be deemed to be a reference to the Consideration as so reduced.

Any exercise by Bidco of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the Scheme or the Acquisition.

If Bidco exercises its right to reduce the Consideration by all or part of the amount of any dividend, other distribution and/or other return of value, the relevant eligible AdEPT Shareholders will be entitled to receive and retain such dividend, other distribution and/or other return of value.

- 11.** The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions. Any person who is subject to the laws of any jurisdiction other than the United Kingdom should inform themselves about and observe any applicable requirements. Further information in relation to Overseas Shareholders will be contained in the Scheme Document.
- 12.** The Acquisition is not being made, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any Restricted Jurisdiction.
- 13.** The Scheme will be governed by the laws of England and Wales and will be subject to the jurisdiction of the courts of England and Wales and to the Conditions and further terms set out in this Appendix 1 to this Announcement. The Scheme will be subject to the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange, the AIM Rules, the FCA and the Registrar of Companies.

-

6. Volume-weighted average prices have been derived from Factset and have been rounded to the nearest single decimal place.

The following AdEPT Directors and persons connected to the AdEPT Directors have given irrevocable undertakings to vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting and, if Bidco exercises its right to implement the Acquisition by way of a Takeover Offer (subject to the consent of the Panel), to accept or procure acceptance of such Takeover Offer, in each case in respect of their own legal and/or beneficial holdings (or those AdEPT Shares over which they have control) of AdEPT Shares as well as any further AdEPT Shares of which they may become the legal and/or beneficial holder):

Name	Total Number of AdEPT Shares	Percentage of existing issued share capital of AdEPT
Ian Fishwick	60,587	0.24%
Philip Race	16,191	0.06%
John Swaite	78,506	0.31%
Richard Bligh	2,733	0.01%
Julie Fishwick	618,244	2.47%
Claudia Fishwick	35,148	0.14%
Carmen Fishwick	34,812	0.14%
Total	846,221	3.4%

These irrevocable undertakings remain binding in the event a higher competing offer is made for AdEPT and will only cease to be binding if:

- the Scheme Document is not sent to AdEPT Shareholders within 28 days (or such longer period as Bidco and AdEPT agree, and the Panel consent) after the date of this announcement (other than in circumstances where Bidco has, prior to such date, elected to exercise its right to proceed by way of a Takeover Offer and announced the same in accordance with the requirements of Paragraph 8 of Appendix 7 to the Takeover Code, and such Takeover Offer has not lapsed or been withdrawn);
- where Bidco has elected to proceed with the implementation of the Acquisition by way of a Takeover Offer on or before the date referred to in (a), the Offer Document is not sent to AdEPT Shareholders within 28 days (or such other date as the Panel may require) after the date of the publication of the announcement made in accordance with the requirements of Paragraph 8 of Appendix 7 to the Takeover Code;

- Bidco announces, with the consent of the Panel and before the Scheme Document is published, that it does not intend to proceed with the Acquisition and no new, revised or replacement scheme of arrangement or Takeover Offer is announced by Bidco in accordance with Rule 2.7 of the Takeover Code at the same time;
- the Scheme lapses or is withdrawn in accordance with its terms and no new, revised or replacement scheme of arrangement or Takeover Offer is announced by Bidco by such time;
- the Scheme has not become Effective by the Long Stop Date (other than in circumstances where Bidco has, prior to such date, elected to exercise its right to proceed by way of a Takeover Offer and announced the same in accordance with the requirements of paragraph 8 of Appendix 7 to the Takeover Code, and such Takeover Offer has not lapsed or been withdrawn); or
- any competing offer for the entire issued and to be issued share capital of AdEPT is declared unconditional or, if proceeding by way of a scheme of arrangement, becomes effective.

2. Other shareholders

Irrevocable undertakings

The following holders, controllers and/or beneficial owners of AdEPT Shares have given irrevocable undertakings to vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting and, if Bidco exercises its right to implement the Acquisition by way of a Takeover Offer (subject to the consent of the Panel), to accept or procure acceptance of such Takeover Offer, in each case in respect of their own legal and/or beneficial holdings (or those AdEPT Shares over which they have control) of AdEPT Shares as well as any further AdEPT Shares of which they may become the legal and/or beneficial holder.

The irrevocable undertaking set out in the following table will continue to be binding where there is a competing firm intention to make an offer at a higher consideration:

Registered Holder	Beneficial Holder	Total Number of AdEPT Shares	Percentage of existing issued share capital of AdEPT
Aurora Nominees Limited	Greenwood Investments Limited	5,300,000	21.2%
Total		5,300,000	21.2%

The irrevocable undertakings as set out in the following table will cease to be binding if any competing firm intention to make an offer for the entire issued and to be issued share capital of AdEPT is made by a third party, where the consideration for such offer is at least 10 per cent. higher than the price per AdEPT Share under the Acquisition and a period of ten business days has elapsed

from the announcement of such competing offer without Bidco having revised the terms of the Acquisition so that (in the reasonable opinion of Cardean Bell and March Harvey) the value of the revised Consideration for the Acquisition exceeds the value of the offer by such third party:

Registered Holder	Beneficial Holder	Total Number of AdEPT Shares	Percentage of existing issued share capital of AdEPT
Pershing Nominees Limited	BGF Investments LP	1,645,612	6.6%
Ferlim Nominees Limited	Tania Rosen	1,375,015	5.5%

Rathbone Nominees Limited	Keenan Fishwick	1,051,209	4.2%
Rathbone Nominees Limited	Ryan Fishwick	1,051,209	4.2%
Roy Nominees Limited	Discretionary clients managed by Downing LLP	870,811	3.5%
Total		7,227,856	28.9%

The irrevocable undertakings in both tables above will cease to be binding if:
